

## **The Fertilitini Contest**

The American Fertility Association is proud to present Manicures & Martinis, an infertility prevention educational program targeted at young women in their early 20's to early 30's. The program will roll through twenty US nail salons in 2009.

We are launching the first ever Fertilitini recipe contest. The Fertilitini is an all-organic, **alcohol-free** beverage to be served at each of the Manicures & Martinis events in 2009. The winner will receive a \$100 gift card to the spa of his/her choice and his/her name will be printed on the recipe cards which will be distributed to all of the M&M attendees in 2009.

### **Contest Requirements**

- No more than four ingredients may be used in the recipe
- All ingredients must be alcohol free and organic
- Garnish does not count as an ingredient
- Only one submission per participant
- Detailed instructions must be submitted to the contest administrator who will make the drink based on the recipe

### **The Winning Entry will be based on the following three criteria**

- Taste
- Ease of mixing
- Appearance

**Please email Submissions by January 21st to:**
